2023 Primary 1 Orientation Day & ScHool Induction & Partnership (SHIP) Programme

Welcome Message by Principal

Dear Parents/Guardians

Welcome to our Lasallian family! Your child is now a part of this global Lasallian Community that is functioning in over 80 countries and more than 1100 educational institutions around the world.

The primary school years are an important phase in your child's education as they lay the foundation for your child's learning. This is also the time when they are most curious about the world around them. In these formative years, we want to build your child's confidence and disposition to learn for life.

At De La Salle School, we want to provide our Lasallians with a broad range of learning experiences so that they can discover and nurture their talents and interests. Most importantly, we endeavour to inculcate our Lasallian values of Faith, Service and Community, encouraging our Lasallians to share their talents and gifts with the community and reach out to the last, the lost and the least.

As a school, we are all looking forward to having your child with us in 2023. To help your child to transit comfortably from Pre-school to Primary School, we have planned a series of programmes and resources for you and your child. Please refer to the rest of this notification for details on these programmes and administrative instructions.

Thank you and we look forward to having you onboard this partnership journey with us in ensuring a well-rounded and joyful primary school education for your child.

Semper Fidelis (*Always Faithful* in Latin),

Cheryl Choo
Principal

Mission Statement
