Principal's Note

Dear Parents/Guardians,

As we approach the final weeks of 2025, we give thanks for an eventful and meaningful year of learning, growth, and community. Throughout the year, our Lasallians have been enriched by a wide range of activities both in and beyond the classroom, guided by our shared values of faith, service, and community.

As part of community, our Primary 2C and 2G Lasallians recently took part in an environmental awareness programme led by Secondary One students from Bukit Panjang Government High School. Through engaging activities on eco-farming and Singapore's food sustainability efforts, our Lasallians learned valuable lessons from their seniors (some who were ex-Lasallians) and gained a deeper appreciation of caring for our environment. This inter-school collaboration was both meaningful and enjoyable, enriching their learning through peer-to-peer sharing.

With just two weeks of school remaining, our teachers and students have been preparing an exciting line-up of programmes for the different levels. We would also like to extend our heartfelt congratulations to our Primary 6 Lasallians for completing the PSLE. We look forward to celebrating their milestone, together with their parents, at the upcoming Graduation Ceremony on 21 Nov.

As part of their final act-of-service project, our graduands have been hard at work planning for InnoGames for their juniors. Drawing on the principles of Design Thinking, they have created meaningful and engaging game experiences. We are confident that our junior Lasallians will enjoy their special day of fun and fellowship with their seniors.

We would like to thank all parents for your partnership throughout the year and wish all families a happy year end break!

Semper Fidelis,

Cheryl Choo
Principal

Mission Statement

Enabling Lasallians in a Lasallian community to learn how to learn and to learn how to live; empowering them to be the persons of integrity and persons for others.

Vision Statement

Lifelong Learners, Caring Citizens

1. Primary 4 Outdoor Education Learning

As part of the PE curriculum, all P4 Lasallians went on an outdoor education learning journey to Yew Tee Park on 4 or 5 November 2025. They walked to the park and back to school accompanied by their Form and PE teachers. At the park, they did nature journaling and group exploration. Through active participation, they have applied outdoor living competencies such as trip planning, navigation, demonstrated acceptable behaviours when exploring shared places in the neighbourhood, identified potential hazards and take actions to minimise risks.

6. Grow Well SG

The school has completed its annual school-based health screening for our Lasallians. In support of the Grow Well SG initiative and to instil healthy habits from young, the School Health Service (SHS) has enhanced its school-based health screening and vaccination programme to include a personalised lifestyle prescription for every student. In addition to their usual health screening results, each P1 to P3 Lasallian has received a Health Plan Booklet with Health Goals prescribed based on their medical background and interests.

Please take some time to go through the booklet with your child and assist them as they work towards their health goals. Through the school total curriculum, we will continue to promote health literacy and provide opportunities for Lasallians to learn about making informed lifestyle choices.

If your child was absent or if your child has been referred for further evaluation, you would have received a letter through your child.
